# CIO Arts

CIO Arts offers forums, both in person and through technological means, to share ideas about information systems strategies and operations in the world of the performing arts.

CIO Arts is a professional organization of performing arts venues that are actively planning and implementing technology solutions.

*The mission of CIO Arts is to provide a forum where individuals who actively plan and implement information technologies in performing arts organizations may share knowledge and experience.*

## Membership Information

### Limited Membership

CIO Arts is limited to 60 members (Organizations) to ensure intimate discussions.

### Participating Organizations

CIO Arts is pleased to have members from across the country. Our members are theatres, performing arts centers, and other arts organizations.

### Low Annual Membership Fee

In an effort to make the CIO Arts organization accessible there is a low membership fee of \$100.

### Annual Meetings

Members are eligible to attend the annual CIO Arts meeting held each October. These meetings give members the opportunity to share, timely and relevant information with other members in person. Recent annual meeting topics included: Anatomy of a Tech Contract, Outsourcing, Arts Audiences and Technology, Network Management, and Web Traps to Avoid.

The 2004 annual meeting will be held at the Raymond F. Kravis Center in West Palm Beach, FL October 7-8, 2004.

## Benefits of Membership

### Making Your Job Easier

Your job can be made easier and more efficient, because CIO Arts gives you access to the most valuable resource - the colleagues you meet through CIO Arts.

### Understanding

CIO Arts gives members the opportunity for them and their organization to join a network of peers from like organizations who understand and operate similar information systems.

### Problem Solving Resources

Share problem solving resources with other performing arts organizations through:

- ✍ **ListServ Access**  
Members have access to a ListServ where they can ask questions and share ideas with other members.
- ✍ **Periodic Conference Calls**  
Periodic conference calls are open to all members to discuss current event topics.
- ✍ **Roundtable Discussion**  
Join in on dynamic round table discussions at our annual meeting where all members have the opportunity to participate.

## Becoming a Member

If you are interested in becoming a member of CIO Arts, please email the information below along with a copy of your organization's mission statement and information about your mission critical systems to:
